

Positively Charged!

AMPT is revolutionizing beef cattle mineral nutrition as we know it today. In recent years, advanced research and new technologies have led to the development of greatly improved mineral sources. Yet, until now, never before has a mineral company combined these technologies into one package. AMPT precisely targets optimum nutrient levels, complementing forage, to deliver the best performance — nothing more, nothing less. That's the revolution of precision supplementation. **Join the revolution.**
