

Sweet UniqueTM

Equine

An alternative to traditional sweet feed

Wholesome nutrition with a delicious flavor and sweet aroma	Sweet feed without the mess and stays fresh longer	Doesn't dry out or brick like traditional sweet feed
---	--	--

Sweet UniqueTM Equine

No. 81679AAA

A fortified feed for mature horses

Economically formulated, Sweet Unique Equine is designed to meet the maintenance needs for recreational and casual-use horses. It offers an attractive option for horse owners looking for a fresh horse feed at a competitive price. Sweet Unique Equine provides basic nutrition specifically designed for mature horses and should be fed with good-quality forage.

Features

- ADM's cold pellet patented technology yields a superior "sweet" feed that stays fresh longer without the stickiness and bricking associated with traditional sweet feeds
- CitriStim[®], an ADM proprietary feed ingredient that may favorably impact the gut microbial population
- Prospense[®] Yeast for feed palatability, digestibility and hindgut fermentation
- Highly digestible, fermentable fibers which are favorable for the equine digestive system and provide usable energy
- Essential base and trace minerals plus vitamins A, D, E and B-complex
- Vegetable oil for energy and hair coat shine

Guaranteed Analysis

Crude Protein, min.	12.0%	Calcium, min./max.	0.5-1.0%
Crude Fat, min.	4.0%	Phosphorus, min.	0.3%
Crude Fiber, max.	18.0%	Copper, min.	10 ppm
Acid Detergent Fiber, max.	24.0%	Selenium, min.	0.3 ppm
Neutral Detergent Fiber, max.	34.0%	Zinc, min.	74 ppm
		Vitamin A, min.	3,600 IU/lb

Feeding Rate

Feed 3-6 lb per horse daily, depending on class of horse and body weight. Feed good-quality forage at 1.5-3% of body weight daily.

Refer to the product tag for complete feeding instructions.

Sweet Unique™

All Stock

An alternative to traditional sweet feed

Sweet Unique™ All Stock

No. 81680AAA

A pelleted grain mix for all classes of dairy and beef cattle, ewes, nannies/goat does, and maintenance of adult horses

Economically formulated, Sweet Unique All Stock provides basic nutrition (protein, energy, minerals, and vitamins). It offers an attractive option for hobby livestock owners looking for a fresh, sweet, pelleted feed at a competitive price. The unique patented-cold pelleting process means Sweet Unique All Stock retains freshness, palatability, and condition better than traditional sweet feeds.

Features

- ADM's cold pellet patented technology yields a superior "sweet" feed that stays fresh longer without the stickiness and bricking associated with traditional sweet feeds
- Highly digestible, fermentable fibers provides usable "safe" energy for cattle, sheep, goats, and horses
- Provides basic protein plus lysine
- Essential base and trace minerals plus vitamins A and D

Guaranteed Analysis

Crude Protein, min.	12.0%	Calcium, min./max.	0.6-1.1%
Lysine, min.	0.6%	Phosphorus, min.	0.4%
Crude Fat, min.	2.0%	Salt, min./max.	0.5-1.0%
Crude Fiber, max.	20.0%	Zinc, min.	100 ppm
Acid Detergent Fiber		Selenium, min.	0.3 ppm
(ADF), max.	24.0%	Vitamin A, min.	5,000 IU/lb

Feeding Rate Cattle: Feed 1-1.5% of body weight daily
 Ewes/Nannies
 or Goat Does: Feed 0.5-1.5 lb/100 lb body weight/daily
 Horses: 0.5 lb/100 lb body weight/daily

Good-quality forage (pasture or hay) should be available to the animal along with an appropriate free-choice mineral.

Refer to the product tag for complete feeding instructions and caution statement. This feed is NOT recommended for male sheep and male goats.
