

Inside TRACT™

NUTRITIONAL SUPPORT FOR GUT HEALTH

Inside Tract™ is a unique supplement in pellet form designed for equine. It provides nutritional support for gastrointestinal health. It contains ingredients approved for equine feed that are recognized to help support and maintain a positive gastrointestinal environment and provides nutritional support needed during stress.

- Loaded with ADM proprietary feed ingredients, along with other ingredients including essential vitamins and microbials to help enhance digestive and immune functions
- Supplies Cell Rate®, a source of nucleotides that may help nourish natural body processes involved in stress, immunity and production
- Delivers CitriStim®, a source of yeast mannans and beta glucans that may favorably impact the gut microbial population
