

The economical choice for winning results

Catalyst™ Start'em No. 80177

Start'em is a complete feed designed for feeding to show pigs weighing 50 to 150 lb for rapid, lean growth. It provides 20% crude protein, 4% fat, and 1.2% lysine.

Catalyst™ Build'em No. 80178

Build'em is a complete feed designed for feeding to show pigs weighing 150 lb to show weight. It provides 18% crude protein, 4% fat, and 1% lysine.

Features

- ✓ **Combination of high-quality protein sources** – Meets the needs of show pigs for lean tissue deposition
- ✓ **L-carnitine** – Supports muscle growth
- ✓ **Chromium propionate** – Highly bioavailable source of chromium which supports efficient energy utilization
- ✓ **CitriStim®** – An ADM proprietary feed ingredient that may favorably impact the gut microbial population
- ✓ **Vitamins, minerals, and yeast** – Enhances skin and hair coat appearance as well as supports production and health of show pigs
- ✓ **Higher fat** – Provides energy and helps enhance bloom and gives a smoother body appearance
- ✓ **Complexed (organic) zinc and copper** – Supports healthy skin and claw integrity; complexed trace minerals are more readily available compared to inorganic trace minerals, which could be crucial to stressed show pigs
- ✓ **Exclusive flavoring** – Entices pigs to consume feed, leading to higher feed intake, supporting production
- ✓ **Pelleted** – Easy and convenient to feed; less feed waste

Youth Project Feeding Program

50 to 250 lb body weight	Thumb Rules
80177 Catalyst Start'em	5 bags/pig
80178 Catalyst Build'em	7 bags/pig

For deworming, use 12373BDI MoorMan's® ShowTec® ShowGuard™ Dewormer at 1 lb/100 lb body weight/day over a three-day feeding period; use ShowGuard in place of complete feed.

For enhanced muscle expression, use 11256CRQ MoorMan's ShowTec Finisher Paylean®* at a minimum of 5 lb/head/day as the sole ration for the last 45-90 lb of gain (last 21 days) prior to show date.
