

A horizontal splash of water with silhouettes of a dog, two horses, and a cow, set against a white background.

Make a Splash with
REHYDRATE™

Keep show animals and horses fresh and hydrated!

Rehydrate™ is a unique electrolyte and energy top-dress supplement that enables show livestock and horses to maintain fluid and electrolyte balance.

- Replenishes electrolytes lost due to dehydration, stress or shrink
- Helps to quickly sustain energy levels through the multiple, readily available energy sources supplied
- Supplies Cell Rate®, a source of nucleotides that may help nourish natural body processes involved in stress, immunity, and production
