

We heard you . . . and are making changes!

The Pen Pals® Rabbit Feeds will have their own unique packaging.

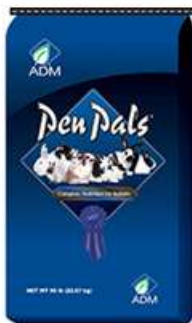

What's new?

Pen Pals Rabbit Pellets 15% (80036AAA) and **Pen Pals Professional Rabbit 16%** (80034AAA) will share the new bag design shown below. To determine which product the bag contains, look at the sewn-on tags and/or the product number in the gusset. This change will take place when the current bag inventory is depleted.

Pen Pals Professional Rabbit 18% (80033AAA) will be packaged in the new bag design shown below. This bag will be used exclusively for Professional Rabbit 18%, with the product number printed on the bag front and gussets. This change will go into effect in the near future.

Pen Pals Professional Show Rabbit (81657AAA) will continue to be packaged exclusively in the bag shown below.

**Pen Pals 15% and
Pen Pals Prof. 16%**

Why package Pen Pals Rabbit Feed in different bags?

Different, unique bags for each product make it easier to identify specific Pen Pals Rabbit Feed products, lessening confusion and order handling mistakes. While bag packaging has changed, the quality, consistency, and dependability of Pen Pals Rabbit feeds remain the same. Rabbit producers and hobby enthusiasts can depend on Pen Pals Rabbit Feed to provide nutritionally complete and balanced feed.
