

The success of any layer flock depends upon proper pullet rearing. It is extremely important for you to feed your birds correctly, starting the first day they arrive right through the laying cycle.

Pen Pals Chicken Feeds are formulated to allow birds to efficiently develop strong, healthy bodies permitting maximum egg and meat production after maturity has been reached. *Proven Performance from Start to Finish.*

Performance-focused Pen Pals Poultry products (Chicken Starter-Grower, Egg Maker Complete, Egg Maker Balancer, Meat Maker and Feather Maker) provide natural-sourced, unique ingredients to promote wholesome, healthy, and stress-free birds.

Natural-source vitamin E: Vital to immune system function; research shows natural-source vitamin E is more bioavailable than synthetic vitamin E (Feather Maker does not contain natural-source vitamin E).

Empirical™ NSP: Designed to enhance the digestibility of grain products which enables poultry to be more efficient.

CitriStim®: An ADM proprietary feed ingredient that may help poultry strengthen their defense against health challenges by supporting and optimizing gut function, gut integrity, and body defense responses.

- No artificial flavors or colors

*Exception is when medication is added.

PEN PALS® CHICKEN STARTER-GROWER

#70009

Protein..... 18.0%
Fat..... 3.0%

- Crumbled to reduce waste and ensure each bird receives a balanced diet.
- Complete ration designed to meet the needs of domestic chickens from 0 to 20 weeks of age.
- A medicated formula containing amprolium and bacitracin may also be available. Please consult with your dealer.

Feeding Details and Guidelines*

Weeks of Age	Approximate Feed Consumption
0 - 20 weeks	Brown egg breeds—15-18 lb/bird
0 - 20 weeks	White egg breeds—12-15 lb/bird

Minimum Space Requirements Per Bird (0-20 weeks)

Floor (sq. ft.)	1.0 2.0	0-8 weeks of age 8-20 weeks of age
Feeder (in.)	3.0	or 20-25 birds per pan
Water (in.)	1.0	or 50-100 birds per round metal drinker

POULTRY SCRATCH BLOCK #70741

- 25-lb block designed to be fed free-choice as a supplement to the ration of adult broilers and layers.
- Comprised of wholesome, high-quality grains (coarsely cracked corn, whole sorghum milo, whole wheat) and balanced sources of minerals and vitamins.

SCRATCH GRAIN #80181

- A good quality mix of cracked corn and whole grains.
- Designed to be fed with poultry supplements to make complete rations.
- Can be fed 50/50 with Pen Pals Egg Maker Balancer plus free-choice oyster shell.
- 1/8 lb per hen per day plus Egg Maker Balancer and free-choice oyster shell

PEN PALS® EGG MAKER COMPLETE #70010

Protein..... 16.0%
Fat..... 3.0%

- Pelleted to reduce waste and enhance feed efficiency.
- A complete feed designed to meet the needs of domestic layers in production when fed as the sole ration.
- Scratch grains should *not* be fed with Egg Maker Complete.

NOTE: When feeding EggMaker Complete, limit Scratch Grain to less than 10% of a bird's daily diet.

PEN PALS FEATHER MAKER™ #70744

Protein..... 18.0%
Fat..... 3.5%

- Complete mini-pelleted feed supplies nutrients needed to support regrowth of feathers after molting
- Can also be used for laying hens

EGG MAKER AND FEATHER MAKER

Feeding Details and Guidelines*
