

DHA Natur[®]

Vegetarian Source of DHA Omega-3 Fatty Acid

Product Description

DHA Natur is a highly concentrated, vegetarian source of DHA, an Omega-3 fatty acid derived through a controlled fermentation process. ADM's micro algae-based technology allows heterotrophic (does not require light) algae to be produced efficiently. ADM's high-quality standards and single-site production helps guarantee consistency. It does not contain animal proteins.

International Regulatory Status

Commission Regulation (EU) 68/2013
PART C — List of Feed Materials No. 7.1.2

CFIA approved, Schedule IV, Part II of the Canadian Feeds Regulations (8.89) Dried Micro-algae fermentation product

Ingredients[†]

035900: Dried Micro-Algae *Aurantiochytrium sp.*
(preserved with citric acid and mixed tocopherols)

035901: Dried Micro-Algae *Aurantiochytrium sp.*
(preserved with citric acid, tocopherols, and ethoxyquin);
contains ≤150 ppm of ethoxyquin (a preservative)

Note: Former taxonomic identity *Schizochytrium sp.*

Typical Analysis[†]

Crude protein, min.	5.0%
Crude fat*, min.	45.0%
DHA (Docosahexaenoic acid), min.	17.0%
Ash, max.	12.0%
*Total fat as FAME (Fatty Acid Methyl Esters)	

[†]Ingredient names and analysis may be expressed differently on product labels for various countries, depending on labeling requirements.

Application

DHA Natur is a viable alternative to fish oil for use in diets of salmon, trout, and other aquaculture as well as livestock species and companion animals per regional regulations. It is for the further manufacture of animal feeds.

Usage Rate

Consult your nutritionist and region specific product label for dietary recommendations. Inclusion rate is also dependent upon levels of DHA supplied by other feed ingredients in the diet.

Physical Characteristics

Appearance: Tan-colored, free-flowing meal
Aroma: Marine

Storage & Handling

DHA Natur should be kept in a dry, cool, and well-ventilated area away from direct sunlight in unopened, original packaging. When stored in closed or sealed containers and under recommended storage conditions, the shelf life is 24 months. Once opened, use immediately. See product label for complete storage and handling instructions.
